

Thredbo Leisure Centre

Friday Drive
Thredbo NSW 2625

The Thredbo Leisure Centre is located on Friday Drive just 5 mins walk from the village. The centre contains a variety of facilities including a fully equipped gym, fitness classes, 50m & 25m swimming pools with waterslide and mission inflatable and a sports hall set up for rock climbing, mini golf, court games and squash. Access to all facilities is possible in a wheelchair, with entry to the pool via a ramp. A child minding service is available in the winter months. The Thredbo Leisure Centre is open every day of the year excluding Christmas day.

Transport:

Transport to Thredbo may be via private car or coach, an accessible Taxi service is also available to be booked for transport from Jindabyne. The Transborder Alpinexpress bus (available in winter only) takes you to Friday Flat in Thredbo where there is a good path of travel (~200m) to the Leisure centre.

Parking:

There are two designated parking spaces available which is clearly signed and approximately 30m from the entrance. The ground surface is rough gravel and bitumen, the ground is slightly uneven.

Approach and Entry:

Thredbo Leisure Centre

There is a paved footpath ramp (6% gradient) which leads from the parking area to main entrance. The entry to the building is flat through an inwards open door with a lever handle (height 1100mm), minimum door width is 800mm which can be extended to 1600mm by opening the double door. The outside door is quite heavy with an automatic door closer. The floor surface inside the building is carpet.

Reception:

The reception counter is at a height of 1050mm with minimal knee space and there is adequate circulation space. There is also a small retail area near the main counter.

Emergency:

A documented emergency procedure is displayed. The alarm is audio and a Warden will seek to evacuate guests to safe refuge. Each building has a number of emergency entry/exit points.

Facilities:

Thredbo Leisure Centre

Access to all facilities is possible in a wheelchair, entry to the pool is via a ramp. Wheelchairs are available from the centre for use in the pool. There is adequate circulation space and minimal hazards throughout all of the facilities. Hazards that exist (e.g. the edge of the pool or stairs) are marked with tactile tiles.

Accessible Change Room:

Access to the change room is via a carpeted ramp (7% gradient). There is a designated disabled unisex bathroom available which contains a toilet and a shower. The door to the bathroom is outwards opening, width 1440mm, with a lever handle (height 900mm) and automatic door closer. The toilet is right hand transfer with a seat height of 370mm. There are side and rear grab rails for the toilet, minimum height 800mm. The basin is 770mm height with star capstan taps at 870mm. The shower has a hand held rose, fold down shower seat and horizontal grab rail. The taps are star capstan (height 1040mm).
