

## **Mansfield Visitor Information Centre**

175 High Street  
Mansfield VIC 3722

Located just west of the main shopping strip the Mansfield Visitor Information Centre showcases the history, geography and scenery of the Mansfield area and the nearby High Country. The centre has large displays showing highlights. The centre also provides advice and a free booking service for local accommodation and services.

The visitor centre is very modern and built with access for all in mind. The centre is flat and spacious. The centre is open 7 days from 9am - 5pm (except Christmas day).

Picture 1: Parking

### **Parking:**

While there are not any designated accessible parking spaces at the visitor centre, there is plenty of parking space available. In fact there are no marked parking bays so you can create space for yourself. Although the car park has a gravel surface it is level and fairly even.

## Mansfield Visitor Information Centre

### Entry:

The entry is flat through 2 sets of double doors 2.5m apart. The total opening for each of these doors is 1740mm or 870mm per half. The doors are outward opening and are fairly heavy with a D handle

Picture 3: Entry

### Reception:

There is a service desk counter used for information and retail services. The main desk is 1300mm high; however there is a 900mm high side counter also available.

The staff are friendly and willing to assist with any access enquiry.

### Toilet

The centre has a fully accessible toilet.
